

# Plan to Kill the True King

The Magi have mocked me. How DARE they! I know – I'll have every child under the age of two killed – that will eliminate that new "king"!

Go to Bethlehem and kill every child under two years old!

Herod wasn't great, was he? He wanted to kill the Son of God. But he couldn't change God's plan. If the Bible told the story of your life, would it say you lived for the Lord?
